Dear Parents and Carers,

As you are aware some children have been invited to attend remote sessions offered by St. Margaret Ward. Our previous letter stated that these needed to take place at home as unfortunately we do not have the staffing or space to accommodate them. Several parents have contacted us to inform us that their child will not be home in time to start the session.

We have been able to arrange for another member of our school staff to facilitate these sessions in school, rather than at home. If your child is going to attend the St. Margaret Ward booster sessions, they will now do so in school (not home) with the children working together in one classroom accessing the learning together through one TEAMS link.

Please note that the end time is 4.20pm and not 4.15pm for these sessions.

Yours sincerely

Mr P Turner  
Vice Principal
