Dear Parents and Carers,

Expectations and Supervision of all children in a morning

I am writing to remind all parents and carers of our morning supervision arrangements. Staff supervision begins once children enter the school building. Until that point, children remain the responsibility of their parent or carer. For this reason, we kindly ask that all pupils are appropriately supervised until they come into their classrooms.

We know that many of our Year 6 and some of our Year 5 walk to school or from their cars independently. While the majority of our children conduct themselves sensibly, a few incidents that have taken place on school grounds before the children enter the school building have been reported where behaviour has not met the standards we expect. Children walking to school must do so safely, respectfully, and in a way that reflects our school values.

If any child is unable to meet these expectations while travelling to school or waiting on school grounds to come into the classroom, we will request that they are accompanied by a parent or carer for a period of time to ensure their safety and the safety of others. This includes any verbal comments made to other children and parents.

Thank you for your support in helping us maintain a calm, safe and positive start to each school day. If you have any questions, please contact the school office.

Thank you for your continued support.

Yours sincerely

Mrs H Rigby
Principal
