Friday 27th February 2026

Dear Year 4 Parents and Carers,

Year 4 Multiplication Tables Check (MTC) Information Session:
Tuesday 10th March 3.30pm (face to face in school)

As you may know, all children in Year 4 will complete the statutory multiplication tables check in June this year. There is a two-week window when the check can take place. The purpose of the check is to determine whether your child can fluently recall their times tables from 1x1 up to 12x12, which is an essential skill for future success in mathematics. It will also help schools identify if children may require additional support.

To aid parents in helping their children prepare for the Multiplication Tables Check, an information session for parents will take place on Tuesday 10th March.

The session will take place in school at 3.30pm in the Year 4 classroom. Your child is welcome to attend also.

This is an opportunity for Mr Wiggs to explain what happens during the Year 4 Multiplication Tables Check and the preparations we are doing and also for you to ask any questions.

Please try and attend the session if possible. If you are unable to attend the powerpoint will be available on the school website.

Thank you for your continued support.

Yours sincerely

Mrs H Rigby
Principal
