12<sup>th</sup> March 2026

Dear Parents and Carers,

World Maths Day is a global celebration of learning that has been uniting students around the world with the wonder of numbers since 2007. This year World Maths Day is on Wednesday 25<sup>th</sup> March.

The children will be taking part in a World-Wide **Mathletics** competition. This will take place in school in place of their normal Maths lesson.

Live Mathletics is the official host platform for World Maths Day. Students race against the clock to answer as many questions as possible within the 60 second time limit. For each question students get correct they earn 1 point. There are 10 levels of difficulty in Live Mathletics. Students can select the level of difficulty for their next game from the number bar along the top of the Live Mathletics menu screen.

To make the day even more fun, we'd love it if the children could dress up in a Maths theme. Maybe they could wear something with a number or shape on, or be even more creative and make something.

Yours sincerely

Mr P Turner  
Vice Principal/Maths Lead
