

P.E at St. John the Evangelist.

At St. John's, our aim in physical education is to inspire all pupils through a high-quality, broad curriculum. It is important that our children are healthy and enjoy P.E, and we want our children to develop a range of skills to broaden their knowledge and allow them to enjoy an active lifestyle.

We will teach the key concepts of agility, balance, co-ordination, competition, movement, throwing and catching, health and fitness. When teaching these concepts, we aim for all the children of St John's to develop a love of movement and keeping active.

Our vision is that all of our pupils will:

1. Develop a love of P.E and explore all the key concepts.
2. Engage in their P.E lessons every week and explore their talents and ideas.
3. Develop a 'have a go' attitude and have a willingness to take part.
4. Be encouraged to engage in competitive sports and activities.
5. Work well both individually and as part of a team.
